- Privilege formula: Start formula + maximum optical, dental and orthodontic cover + extra-efficient assistance services.

Car

Protect yourself, your vehicle and your passengers on all your journeys

- not fit to drive again? AXA pays for a taxi, 3 times a year, so that you can get home safely;
- accident assistance: to keep you mobile round the clock, seven days a week;
- replacement vehicle in an accident: 10 days, 31 days for write-off;
- Sliding scale tariff according to the age of the vehicle: indemnification if downgraded up to 20% above the market value.

Motorcycle & scooter

Against all the bumps in the road and to the road and feel the hum of your engine without a care in the world, take advantage of protection for you and your motorcycle

- tailor-made packages and your equipment covered up to 1.500 € in the full package;
- is your motorbike less than one year old? It will be replaced as new for 36 months;
- if you have a problem on the road, accident assistance is available free of charge 24/7;
- do you prefer a quiet ride? The cover includes the specific features of an electric motorcycle. In the event of an electrical failure, you are covered by breakdown assistance and your charging cable is covered by theft insurance.

Harmonie Mutuelle : privileged offer for French cross-border workers

The LCGB and the APSTT (Association pour la Protection Sociale des Travailleurs Transfrontaliers) have concluded a partnership in order to grant French cross-border members access to a high-performance health insurance plan at the preferential rate with 3 possible options.

Main members of the LCGB benefit from an additional 10% refund on the annual subscription on the already attractive offer “Santé Frontalier Luxembourg”. When joining the LCGB and the “Santé

Frontalier Luxembourg” simultaneously, you will also receive a gift voucher.

This offer includes quality benefits and services as well as an excellent price/performance ratio:

- excess fees are covered from the first stage;
- insurance specifically for cross-border commuters with reimbursement in France and Luxembourg;
- high reimbursements for visual aids

(up to 740 €), and major bonuses in our network;

- high levels of dental cover, particularly for prostheses and orthodontics, and even a contribution towards implants from the first stage.

Additional guarantees with the KALIXIA network and its 16,000 health professionals at your disposal.

Individual coaching

Through individual coaching sessions, you can voice your questions as well as any doubts related to your situation and receive useful guidelines adapted to your needs.

Job interview simulation

A simulation of a job interview enables you to train for all occasions facing an unknown speaker in professional conditions. You will receive feedback regarding your verbal and non-verbal communications, your attitude, the quality of your responses, your strengths as well as areas open for improvement. After such a simulation, you will be better prepared and more confident for your job interview and thus have better chances to succeed.

Skills assessment

Assessment of your professional and personal skills as well as your capabilities and motivations in order to establish your strengths or areas for improvement. This service is provided for new job seekers as well as current employees looking for a professional reorientation. A skills assessment offers you a better vision of yourself, your abilities, your value on the job market and you can benefit from individual coaching sessions in order to further strengthen your position (definition of a new objective, action plan, job applications, ...).

Free workshops for LCGB members (≥ 5 year membership)

Balancing your energies

Enabling participants to become aware of the way they function, their potential but also their limits, stress factors and responses to stress. Analyse your energy sources as well as consumers and through exercises and tools find the best means to bring them into balance in order to avoid situations of emotional distress, exhaustion or burn-out.

Contract Negotiation

This workshop draws attention to the different types of salaries and non-statutory benefits and sensitises participants to effective negotiation techniques with an employer. A contract negotiation must take into account multiple factors that need to be analysed and prioritised. Practical exercises and answering questions will be provided.

Self-confidence

This workshop will discuss the theoretical concepts of self-confidence and self-esteem. You will learn to understand how to protect yourself from situations that can have a negative impact on your self-esteem and how to identify activities that can help you build it. You will become more aware of your blockages and their causes and acquire concrete tools to move forward on the road to self-confidence.

INTERNATIONAL COOPERATION

By means of its international cooperation, the **LCGB** also offers you the professional help and services necessary to fight for your rights outside the borders of Luxembourg.

Belgium - Dual membership LCGB-CSC

By paying a single membership fee, you can benefit from the services offered by both unions:
