Dear Madam, dear Sirs,

I hereby acknowledge receipt of your letter dated May 16th 2011 referring to a possible partnership with Cargolux Airlines International S.A. and Qatar Airways.

I appreciate your interest and concerns on this subject and as far as I am informed, detailed information has been passed to you by Mr. Reimen, President and CEO in an Extraordinary Comité Mixte Meeting on May 10th 2011. A further Extraordinary Comité Mixte meeting is planned for May 20th 2011 where all additional questions will be answered.

I trust that Mr. Reimen, as soon as additional information is available, will be calling in a supplementary meeting to share this information in order to guarantee full transparency and keep the staff informed about the development of this partnership.

Please be assured that the Board of Directors as well as the Cargolux Executive Committee are committed to keep the continuous social dialogue as one of their priorities.

In case of any further queries, I recommend that you contact Mr. Reimen directly.

Yours sincerely,

Marc Hoffmann
Chairman of the Board of Directors
